WHIN - Wabash Heartland Innovation Network

[www.whin.org](http://www.whin.org) | [info@whin.org](mailto:info@whin.org) | 1281 Win Hentschel Blvd STE 2161, W. Lafayette, IN 47906

WHIN is a 501c3 organization whose purposes are scientific, educational and charitable. We exist to accelerate the adoption of IoT technologies, support world-class research and education, and ultimately to establish our region as the global epicenter of digital agriculture and next-generation manufacturing.
